

Reyneke Organic Sauvignon Blanc Semillon 2020

main variety Sauvignon Blanc

vintage 2020

analysis alc: 13 | ph: 3.3 | rs: 2.2 | ta: 5.2

type White

producer Reyneke Wines

style 0

winemaker Nuschka de Vos

wine of Stellenbosch

tasting notes

The nose presents gooseberries, guava and lime zest, with a small hint of cut grass. Flavours of green apple, citrus and a slight saltiness follow through on the palate, with the creaminess of the Semillon coming through towards the end. The wine is fresh, grippy and has good texture, all contributing to a well balanced wine.

ageing potential

Drink now or until 2023.

blend information

54% Sauvignon Blanc, 46% Semillon

in the cellar

The two thirds of grapes are sourced from organic vineyards around the Western Cape, which are mainly planted on sandy loam soils. The rest of the grapes originate from Reyneke Wines. Standard white winemaking is carried out on Sauvignon Blanc and Semillon separately. The grapes are destemmed with two hours of skin contact. Using only the free run juice, fermentation takes place in stainless steel tanks. After 5 months, further ageing occurs in stainless steel on the fine lees. The assemblage is made up and bottled.
