type	White	producer	Reyneke Wines
style	Dry	winemaker	Barbara Melck
taste	Fruity	wine of	Polkadraai Hills
body	Medium		

tasting notes

The 2025 Cornerstone White opens with lied aromas of lime, white peach and elderflower, layered with subtle notes of hay and cardamom. The palate is focused and precise, showing bright lime and Granny Smith apple fruit. A vibrant acidity is balanced by a gentle roundness from the Semillon, giving the wine texture, poise and a lingering, fresh finish.

blend information

70% Sauvignon blanc, 24% Semillon, 6% Chenin blanc

in the cellar

Biodynamic grapes were hand harvested and cooled overnight before processing. e grapes were whole-bunch pressed, and the juice was naturally settled overnight. Spontaneous fermentation took place in older oak barrels. Once fermentation was complete, the wine was topped up and le to age undisturbed on the lees for eight months without the addition of sulphur. Aer ageing, the wine was racked and blended. is wine is a pure and expressive snapshot of a Reyneke white blend.
